GARY MAYO SELECTED AS VNH CHAIRMAN OF THE BOARD

West Lebanon, New Hampshire – Gary Mayo, owner, president and commercial risk manager at A.B. Gile, Inc., in Hanover, N.H., has been chosen to chair the Board of Trustees for Visiting Nurse and Hospice for Vermont and New Hampshire (VNH). Mayo, who has a bachelor's degree in economics from Dartmouth College in Hanover, N.H., has been a member of the VNH board since 2012. He has chaired several business and community non-profit boards over the past 20 years, including Special Olympics New Hampshire, and the Professional Insurance Agents of New Hampshire.

As VNH board chair, Mayo is responsible for coordination of the committees of the board and facilitation of meetings of the trustees. He also works closely with VNH President and CEO Jeanne McLaughlin on the implementation of the board's strategic plan for the agency.

"VNH has earned a well-deserved reputation for its expert team of compassionate caregivers. It continues to find new, innovative ways to provide care and improve systems of care for the thousands of families it serves," Mayo said. "I'm proud to be a part of this organization."
